

Western Alfalfa & Forage Conference

HAY GROWER'S AUCTION

*December 12, 5:30-7:00 pm. John Ascuagua's Nugget,
Reno, NV*

WHY? This is the first time that we will sponsor a 'Hay Grower's Auction' to benefit the haygrowers from the Western States. This auction will benefit the grower's organizations in: AZ, CA, CO, ID, MT, NV, NM, OR, UT, WA, and WY, with 50% of the revenues going equally to every participating state and 50% of the revenues going toward the state designated by the buyer. This will enable haygrowers to have a more effective voice!

PLEASE DONATE AN ITEM!! Exhibitors, sponsors, equipment companies and others will participate by donating an item. Agricultural items such as pesticides and fertilizers, lab analysis', equipment or equipment rental, seed, tarps, and twine to name just a few suggestions. Other items may include a weekend at a resort, race tickets, baskets of goodies, a day at a spa, new DVD player, computer, TV, a cruise or whatever your group would agree to donate that would generate funds. All items will be displayed prior to the auction in the exhibit area either in person or by photo and description with proper credit to the company or group that provides the item. During the auction, each item will be displayed in a powerpoint presentation, behind the auctioneer, again with donor acknowledgment as the item is auctioned. Smaller items (e.g. hats, coffee cups etc) that identify your product or service can be given away at display booths.

To Donate an item:

1. **Send an email**, fax, letter, or phone call with the information below to: **Tomé Martin-Duvall**, UC Cooperative Extension, 328 Madera Ave., Madera, CA 93637
OFFICE: 559-675-7879 ext. 213, CELL: 559-978-5182, FAX: 559-675-0639, EMAIL: tmmartinduvall@ucdavis.edu)
2. **Come to the Conference** with your item, and leave your item with Tomé or at the Symposium registration desk.
